JOBS FOR OUR REGION

CITY FOR CHAMPIONS WILL

Provide economic job diversification rather than over-reliance on Department of Defense related jobs.

Help solve a high unemployment rate by creating more than 5,100 new and permanent jobs in industries such as:

- Hospitality
- Tourism
- Sports medicine
- Sports business
- Museum management
- Facilities management
- Construction, architecture, engineering
- Health care for elite athletes, wounded warriors, aging Baby Boomers
- Support services and small business

About 2,200 will be construction jobs in the region.

About 2,900 will be permanent, full-time moderate-to high-paying jobs, including management/executive positions in the region.
